

ILLINOIS STATE ACADEMY OF SCIENCE

106TH ANNUAL MEETING

April 25 - 26, 2014 • Governors State University

Governors State University is proud to host the **106th Annual Meeting of the Illinois State Academy of Science on Friday and Saturday, April 25 & 26, 2014**. Approximately 200 undergraduate students, graduate students, and faculty members from colleges and universities throughout Illinois are expected to attend the conference. The meeting will present student research projects via poster displays and oral presentations.

An additional highlight of the meeting is a keynote address titled **“Science and Cinema”** at 8 p.m. on Friday evening given by Dr. Marius Stan. Dr. Stan is a Senior Scientist with the Energy Engineering and Systems Analysis Directorate at Argonne National Laboratory, a Senior Fellow with the Computation Institute at the University of Chicago, and a Senior Fellow with the Institute for Science and Engineering at Northwestern University. He is also an actor and writer. You might recognize him from the TV series “Breaking Bad” where he was featured

as the carwash owner, Bogdan Wolynetz.

The keynote address, poster sessions, and oral presentations are free and open to the public, general admission ticket are available through the GSU Center for performing Arts Box Office. Poster sessions will be held from 2:30- 5:30 p.m. on Friday. Oral presentations will be held from 9 a.m.-12:30 p.m. on Saturday.

ISAS, founded in 1907, affords a wonderful opportunity for STEM students to showcase their research and interact with others in the scientific community. The Academy’s mission is the promotion of scientific research, the diffusion of scientific knowledge, and the unification of scientific interests in Illinois. Scientific areas that are involved in the Illinois State Academy of Science are:

- Agriculture
- Anthropology & Archaeology
- Botany
- Cell, Molecular & Developmental Biology
- Chemistry
- Computer Science
- Earth Science
- Engineering & Technology
- Environmental Science
- Health Sciences
- Microbiology
- Physics, Mathematics & Astronomy
- Science, Mathematics & Technology Education
- Zoology

We wish to acknowledge the generous support from Solvay USA, Inc. to promote STEM education and research.

Conference bags provided through the generosity of ComEd, an Exelon Company.
